Host: The Steel Ice Center

Location: The Steel Ice Center, 320 East 1st Street, Bethlehem, PA, 18015

Rink Size: Oval, 200 x 85 feet

COVID-19 INFORMATION:

- All attendees are always required to properly wear face coverings over their nose and mouth and secured under their chin while in a facility (exception: IF approved by facility, skaters may remove when on the ice). This is not only for your protection, but for the protection of others and is applied to all attendees.
- If a skater feels sick or
- Social distancing must be maintained at all times. The CDC recommends a distance of 6 feet and separate pathways will be established within the venue (minimizing crossover and contamination).
- **Chaperones/Spectators:** For the safety and health of all participants only one parent or chaperone per skater will be permitted to enter the building. All spectators will only be permitted to enter the rink when their skater begins their warm-up for their event, unless their child is under the age of 12 and requires help in putting on their skates.
- U.S. Figure Skating Waivers are a requirement for ALL athletes. The online waivers must be completed via [Members Only](#) prior to the competition, instruction [here](#).
- A PRE-EVENT ZOOM MEETING WILL BE SCHEDULED FOR ALL ATTENDEES SO THEY ARE AWARE OF OUR COMPETITION ENVIRONMENT AND WHAT TO EXPECT. BASED ON THE NUMBER OF PARTICIPANTS ONE OR MORE MEETINGS WILL BE SCHEDULED AND COMMUNICATED. THIS MEETING WILL BE RECORDED IN THE EVENT A PARTICIPANT IS UNABLE TO ATTEND.

ELIGIBILITY RULES FOR PARTICIPANTS

The competition is open to ALL skaters who are current eligible (ER 1.00) members of either Learn to Skate USA and those who are full members of U.S. Figure Skating. Members of other organizations are eligible to compete but must be registered with Learn to Skate USA or a member club. There will be no more than six competitors maximum in an event and all six should receive an award.

Eligibility and Test Requirements

The Spring Spectacular will be conducted in accordance with the rules and regulations of U.S. Figure Skating, as set forth in the [current rulebook](#), as well as any pertinent updates that have been posted on the U.S. Figure Skating [website](#).

Test Level: Competition level is the highest test passed as of the entry deadline in the discipline the skater is entering. For the 2020-2021 competition season, athletes may skate up two levels above that for which they qualify but they are not eligible for IJS Test Credit. Note, athletes may not skate down in any event.

Age restrictions/requirements: Skaters will be divided as closely as possible by age should the number of entries warrant more than one group.

ADULT EVENTS: Age classes for all free skate, dramatic entertainment and light entertainment events:

- Young Adult: 18 years through 20 years
- Class I: 21 years through 35 years
- Class II: 36 years through 45 years
- Class III: 46 years through 55 years
- Class IV: 56 years through 65 years
- Class V: 66 years and older

All age classes may be divided or combined depending on the number of entries and at the discretion of the chief referee and/or the competition committee. Men and ladies will be combined in Adult 1 through adult bronze free skate events (based on the [Adult Competition Series rules](#)), and all levels of compulsory moves, solo dance, solo free dance, jumps, spins and dramatic/light entertainment events.

For the Pre-Free Skate, Free Skate 1-6, Excel, Well Balanced, and Adult levels eligibility will be based only upon highest free skate test level passed. Moves in the Field test level will not determine skater's competitive level. Skaters may skate at highest level passed OR one level higher, but not both levels in the same event during the same competition. Skaters may not compete at more than one level in the same type event at the same competition.

It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the Local Organizing Committee (LOC) discovers that a skater has been placed in a category that is below his/her class level, the chair and referee will have the option to move the skater into the proper division, even if it is the day of the competition. This will ensure that every event is as fair as possible to the competitors. It is an ethical violation for coaches to sandbag an event.

ELIGIBILITY RULES FOR COACHES/INSTRUCTORS

When hosting a Compete USA competition, it is important that you verify the compliance of each coach/instructor who plans to coach on-site at the event. You can verify the status of coaches/instructors by checking the lists on www.usfigureskating.org by going to the Coaches page and clicking on the Information for Clubs. For Learn to Skate USA instructor verification, log in to the Management System, then Program Admin, Program Management and Instructor Compliance. Due to COVID-19 and social distancing practices we ask that each skater limit coaching staff to one coach per athlete.

To be credentialed at a Compete USA event, coaches/instructors are required to have:

- Learn to Skate USA Instructor membership OR U.S. Figure Skating full membership
- SafeSport training completed (for coaches/instructors 18 years old and older)
- Background check successfully passed (for coaches/instructors 18 years old and over)

ONSITE CHECK-IN:

On the day of the event all skaters will check-in at the rink entrance 40 minutes prior to the warm-up of their first event. Each skater will be checked-in and will complete a COVID-19 screening. Skaters will be asked to warm-up in the area marked off in the parking lot. To limit unnecessary foot traffic and excessive number of persons we ask that skaters do not check-in early. If you arrive earlier than your check-in time, you will be required to wait outside until it is your time.

Skaters should come dressed and ready to skate for their first event. Skaters should limit the amount of personal affects they bring into the rink as they will not be permitted to store them in any locker rooms.

LOCKER ROOMS AND CHANGING AREAS:

Locker rooms and a schedule for use will be created for those skaters who are participating in more than one event. The schedule will allow for a skater to change into a new dress/costume. Time limits will be established to ensure all skaters who need to change may do so safely and in a timely manner for their next event. Skaters will not be permitted to leave their personal affects in the locker rooms. When they have completed changing all personal affects must be removed so the locker room can be sanitized for the next skater.

Locker rooms and changing areas at U.S. Figure Skating competitive events are for athletes only, will be labeled with regard to specific use and where identified will be gender specific. An exception can be made for athletes 11 years old and younger that will allow for one parent of the same sex to assist their child immediately prior to and after their skating event(s). Please review the Locker Room and Changing Area Policy and the SafeSport Handbook (both found on the [U.S. Figure Skating SafeSport](#) page).

PHOTO/VIDEO:

Note, **per U.S. Figure Skating policy**, photographing and/or recording of anyone other than your own skater is strictly prohibited.

OFFICIAL NOTICES/ANNOUNCEMENTS:

Official notices will be posted online and will be communicated via email regarding schedule changes or any policy changes related to COVID-19 procedures and can be found at: www.steelicecenter.com

SHOWCASE EVENTS – Solo and Duet

Showcase events are open to skaters in Basic, Free Skate, Limited Beginner through Preliminary and Adult Bronze. Groups will be divided by number of entries and ages if possible. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher. Vocal music is permitted.

Show costumes are permitted, as long as they do not touch or drag on the ice. Costuming and make-up for showcase programs should enhance the feeling created by the performance, and reflect the meaning of the story or theme. Ornaments and hair accessories must be secure. No bobby pins, feathers, hair accessories, or anything else that may fall to the ice and be hazardous to the skaters are allowed. A 0.1 deduction will be taken. Props and scenery must be placed and removed by unaided singles and duet competitors within one minute on and off and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A 0.1 deduction will be assessed by the referee against each judge's mark for each ten seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint, for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice.

6.0 Judging will be used. Deductions will be made for skaters including technical elements not permitted in the event description.

For specific guidelines regarding the conduct of Showcase competitions, refer to the Nonqualifying Showcase Guidelines posted on www.usfigureskating.org.
